Proposal Title: _____

All investigators have read and understood UA's conflict of interest policies and the *Disclosure of Financial Interests Related to Sponsored Projects*, have made all financial disclosures required by them, and prior to the expenditure of any award funds shall have reached an agreement with the University which provides for conditions or restrictions necessary to manage, reduce, or eliminate significant financial conflicts of interest.

The proposal submitted herewith is (1) complete in its technical content, (2) adheres to the rules of proper scholarship, including specifically the proper attribution and citation for all text and graphics, (3) complies with federal standards for the integrity of research (e.g., NSF/NIH Misconduct in Science Policy), and (4) is in accordance with specifications established by the sponsoring agency. This proposal will be withdrawn at a later date if subsequent review reveals that the proposal is incomplete, contains errors, inaccuracies, misrepresentations, or does not conform to UA or sponsoring agency requirements.

If the proposal submitted herewith is funded and accepted by UA, the PI and co-PIs will conduct the project in accordance with the terms and conditions of the sponsoring agency and the Policies of UA, and will be fully responsible for meeting the requirements of the award, including providing the proper stewardship of sponsored funds, submitting all required technical reports and deliverables on a timely basis, and properly disclosing all inventions to the University's Intellectual Property Office, in accordance with Federal and University Policies.

Each individual signing below is certifying that the facilities/space and other University resources necessary to complete the proposed project are available to the project, or provisions have been arranged with Department/College to make such space or other University resources available in the event an award is made.
